

## LAST CHANCE TO SHARE YOUR STORY!

**First Peoples Development Inc.** are **STILL** looking for participants/ students who attended training and received funding through ASETS between 2014 and 2016!

These participants/ students will be interviewed to share their story on their journey to success and we will showcase them on our website and share in our meetings with our other First Nation organizations and partners.

We've decided to **spice up** our success story submissions by adding a prize!

Every participant who is, or was interviewed for their story will be entered into a draw for a **chance to win a Samsung Galaxy 16GB Tab E!**

**\*Deadline is January 2, 2017 for the draw\***

Questions to ask yourself if you are from one of these communities and took training:

Do you feel like you achieved success in the program you attended?

Have you found employment after receiving this funding?

Do you feel the need to motivate or encourage others by sharing your successes?

**If SO**, please contact Alexis Nelson directly at the contact information below to book an interview with Darrell Phillips to get your story heard!
